

X-Treme Summer July 2016

Schedule of Events

Session 1— Environmental Explorers

Campers will explore how decisions of farmers affect the foods we eat, the positive effects of eating local food, and brainstorming ways to maintain the delicate ecosystem we call Earth.

Session 2— Creative Design

Imagination and inspiration will shine during the week of art and design. Join us as we explore what makes an artist an artist. Campers should prepare to get messy as they will explore all different types of art mediums and techniques including fine arts, drama, dance and construction.

Session 3— STEM Happens

The exciting world of STEM happens all around us! The campers will participate in various challenges that will require them to research, design, build, create, test and develop innovative solutions for real world experiences.

Session 4—Game On

During this camp session the campers will explore games that are played as professional sports, games of the mind and strategy, and active games.
