

Bright Horizons® and The Appalachian Mountain Club

We are happy to introduce a new relationship between select New England Bright Horizons centers and the Appalachian Mountain Club, the nation's oldest outdoor recreation and conservation organization.

As part of AMC's commitment to getting more children outdoors, Bright Horizons families will have the opportunity to receive first hand tips and fun ideas from leading outdoor experts on how to enjoy the outdoors with your children with ease this summer. To learn more about this exciting relationship visit www.brighthorizons.com/AMC

In addition, the AMC would like to present a special offer for Bright Horizons families:

- 20% savings on an AMC family membership
 - 20% savings on stays at both the Highland and Cardigan Lodge
- For more information visit www.outdoors.org/brighthorizons
