

**Parent/Guardian Release and Indemnity Agreement  
Infant Breast Milk Bottle**

We/I understand that the standard practice at Bright Horizons is to dispose of the contents remaining in a bottle after one hour as recommended by the American Public Health Association and the American Academy of Pediatrics. We/I would like Bright Horizons to make an exception to that practice and place the unused contents of any breast milk bottle throughout the day back in the refrigerator after one hour to be returned home at the end of each day.

We/I, the undersigned, being all of the custodial parent(s) or other legal guardian(s) of (child's name) \_\_\_\_\_, a minor, do hereby release and agree to hold harmless, and to indemnify Bright Horizons Family Solutions, Inc., its subsidiaries, and all their employees, from any and all actions or claims, on account of personal injuries to said minor resulting from this decision.
