X-Treme Inventions Daily Activities and Field Trips

Monday, June 1st – Camp Introduction

Today we will be going over the field trip safety rules, passing out camp back packs to those children who will be here most of the summer, along with journals to keep in their back packs. The children will be playing some fun get to know one another games and the classroom and the different areas for them to explore over the summer.

Tuesday, June 2nd – Special Guest

Our special guest today is coming from the CU space museum. They are bringing to our gym a giant STARLAB! Inside the Starlab they will be teaching the summer camp children about our solar system. In the classroom we will be using art materials to make pictures of our own solar system.

Wednesday, June 3rd- Reflecting Materials

Using different materials that reflect like: un-breakable mirrors, aluminum foil, magnifying glass, shiny trinkets, flashlights and other shiny things; the campers will be shedding some light using these tools onto different types of objects and materials both inside and outside of the school.

Thursday, June 4th – Butterfly Pavilion

The campers will be going to the Butterfly Pavilion and experiencing the life cycle of different butterfly's, seeing sea creatures and holding Rosie tarantula! We will also be having a picnic lunch there at the pavilion. Please pack your child a disposable sack lunch and water bottle. We will be leaving the center at 8:45 am and arriving back at 3:00pm.

Friday, June 5th – Fun Friday

Paper comes in so many interesting forms and textures. We will be collecting a variety of paper products that the campers can use to invent with, like cardboard tubes, plates, bags, cups, small boxes, greeting cards and wallpaper. Let the creativity begin!

If you have any questions about summer camp, please see Ms. Liss, Ms. Gussie and Ms. Tammy, Thank you.

June 8th – June 12th

Myths and Legends Daily Activities and Field Trips

Monday, June 8th – Creating a Story

If you have a myth or legend book, please bring them in today. We will take the opportunity to read different stories during the day so that the campers get an idea of what a myth and legend are. Then using the different stories that we had read that day, the campers can create their own story using different art materials and writing materials. At the end of the day the campers can read and share their story they made.

Tuesday, June 9th – Denver Museum

This summer at the museum they have a new exhibit that has to do with Myths and Legends, should be a lot of fun! We will be doing a lot of walking today; your child will need to wear good walking shoes like tennis shoes with socks. We are having lunch at the museum; please pack your child a disposable sack lunch and a drink. We will be leaving the center at 8:45 a.m. and arriving back around 3:00 p.m. Please be at the center at least a half an hour before leaving time so we can go over rules and change into our shirts.

Wednesday, June 10th – Artistic

Using their creativity and imagination the campers can use all different types of art materials to create their own mythical creature or legend creature. They can also use this time to create the characters that they may have made up in their stories on Monday.

Thursday, June 11th – Erie Recreation Center

The children will be going swimming and enjoying the water slides and lazy river. Your child will need a bathing suit and towel with their names written on all items. Please pack your child a cold lunch today (no heat ups or hot lunches). We will be eating an early lunch at the center before leaving for the pool. We will be leaving the center at 12:00 p.m. and arriving back around 3:30 p.m.

Friday, June 12th – Fun Friday

Dress up! Dress up as your favorite myth or legend character, this can also include prince, princess, dragon, unicorn, Bigfoot, etc. Your camper can also bring in a story that day to share as well.

If you have any questions about summer camp, please see Ms. Lisa, Ms. Gussie and Ms. Tammy.
