Learn all about how our teachers help children experience the benefits of exercise, good nutrition, health and wellness!

Bring your child's bike and helmet and ride for a cause!
All ages are welcome!

A donation of \$5 per participating child is suggested for participating riders. All donations will go towards the opening of our newest Bright Space for Children at the NE Behavioral Health Transitions Program in Tewksbury, MA

What is a Bright Space?

Bright Spaces create and support warm, enriching playrooms in community agencies that give children and families in crisis a special place to learn and have fun. Through innovative partnerships with Bright Horizons clients, local shelters, and community organizations, we build stimulating spaces that are engaging, comfortable places for children and families to play – a place to experience the joy of simply being a child or parent.
