

Summer 2013 at Long Ridge Bright Horizons

Irr@brighthorizons.com

Discover the Joys of Summer with Bright Horizons!

Experience fun, adventure, fitness and technology; meet new friends and learn new skills during our X-Treme Summer!

Bright Horizons at Long Ridge offers Summer Camp for preschool children and school-age children. We provide a fun exciting camp with themes based on children's interests and flexibility to meet parents' needs. Our camp programs are convenient, health and safety focused and led by our experienced teachers.

Campers will experience fun, adventure, fitness and technology through the following weekly themes:

X-Treme Destinations, Cooking Impossible, X-Tremely Green, The Great Big Outdoors, Wet and Wild, Game Show Mania, I've Got Talent, X-Treme inventions, and Urban Designer

There will be a special planned event every week with different center visits, including the Ice Cream Day!

X-treme Reading is this year's new special focus for X-Treme Summer Camp. We are adding the joy of reading good books to each of our exciting weekly X-Treme themes. Each week our counselors will involve the children in read out loud shared reading experiences. The campers will engage in a story that has been especially selected based for their age and interests. In addition we are challenging all of our summer campers to do additional reading at camp and at home. Prizes, entertainment and of course lots of great books are involved. This is another great way to enjoy our X-treme summer.

Art Studio

In the Art Studio, we recognize children as the inquisitive creators they are and have created inside and outside environments that inspire children to express themselves through art.

The children use their creativity and learn new skills through participating in our **Enrichment Clubs: Drama, Yoga, Cooking, World Languages**

Please let us know if you are interested in registering or learning more about the program. Thank You!
