

Help Us Build the Alphabet

during our
Food Drive!

November 12th to November 26th

Our Toward a Better World curriculum teaches our students about diversity, empathy and acceptance; and allows them to create daily opportunities for social and emotional development.

Bright Horizons at SWEP is asking for your help to stock our Yonkers local food bank with donations of non-perishable foods.

Boxes labeled with each letter will be in the hallway.

Let's build the alphabet together!

Bright Horizons at SWEP
