

CAMP EXPLORATIONS 2014

Schedule of Events

Around the World Adventures

Week 1—**Pack Your Bags**—Let's take a trip! Fill your passport and explore the world.

Week 2—**Big Dig** - Be an archeologist. Explore the mysteries buried beneath the ground, fossils, bones and treasure!

Science Lab Adventures

Week 3—**Water-Wet and Wild!** - Water takes a center stage. Explore water in all it's forms through fun experiments, adventure, and other fun and soothing ways.

Animal Tales Adventures

Week 4—**Ocean**—Dive under the sea. Learn about starfish, sea urchins, and sea dragons—animals that don't even look like animals and explore fish through activities and art.

Week 5—**Jungle Animals**— Explore animals of all kinds scary, tame and teeny. Create a recycled box animal for our very own zoo!

Express Yourself Adventures

Week 6—**Music/Drama/Dance** — Let's make some noise — sing, dance and unleash your inner performer. This is the place to learn dance moves from around the world.

Fun and Fitness Adventures

Week 7—**Mighty Movements**—Shake, Rattle, and Roll! This week is full of dancing, tumbling, and other activities that will get kids wiggling and giggling.

Week 8—**Cooking**—Learn the science of Cooking as well as how to measure and mix. Prepare delicious and nutritious foods to eat.

The Great Outdoors Adventures

Week 9—**Camping**— Let's pitch a tent. Create an imaginative and fun experience with tents, sleeping bags and flashlights. Play and learn about shadows.

Week 10- **Nature Explorations**— Open kids eyes to the world outside through gardening, nature walks and up-close examinations of plants and insects.
