#### Adventures—Water Imaginarium!

**Highlights of the Week**— What summer would be complete without exploring water? We will have a waterslide day on the preschool playground this week. It's water, water, water as we fill the sensory tables, run the sprinklers, and play with the water bouncy balls.

### Week 7—Fun and Fitness Adventures — To Market, To Market

**Highlights of the Week**— We're going green this week! We're exploring how food makes it from the farm to our plates. We'll set up our own playground Farmer's Market this week with shopping carts, cash registers, pretend food and cloth shopping bags.

### Week 8—Science Lab Adventures—Kitchen Science & Windowsill Gardening
