2013 X-TREME SUMMER Sessions

New and Exciting this Year

X-treme Time Travel

Hop in a time machine and travel back in time for this session and the entire summer as we explore the past and the future! A week full of activities introducing the summer and X-treme Time Travel! We will come together for a Fantastic Friday by burying a time capsule, full of items about this summer and our campers, that we will dig back up at the end of X-treme Summer Camp!

The Great Big Dinosaurs

Soar back in time to the Jurassic period and walk with the dinosaurs! We will explore fossils, meteorites, prehistoric etymology, and try to solve the age old question, "Why are Dinosaurs History?" Join us at the end of the week for a Dinosaur Egg-tastic Event!

Game Mania!

Get ready to play as a contestant, judge or even a game show host! Come on down to a week of game show wit and fun where we'll challenge each other to compete in versions of our favorite game shows from the 70s. You'll win prizes and set your competitive spirit free. Even more exciting, design your own version of Family Feud made especially for X-treme Summer.

Designing a New World!

Join us as we travel to a New World! The group will come together and use imagination and inspiration creating a Tall Ship replica like the one that Columbus sailed the ocean blue in 1492! We explore all this world has to offer through art exploration creating a spyglass and dream catchers! We finish the week with our design exhibition at the Fantastic Friday Tall Ship Showcase!

Diner Days

Grab your poodle skirt and hop on down to the diner for a milkshake and diner fries! Flashback to the world of classic cars, drive in movies, and the birth of legos! Dive into this history with a **Banana Split Slip n Slide**, **Lego Jell-O**, and a **Karaoke Contest**! At the end of the week we will all come together for a **Drive-In Movie 50s style**!

The Science of the Ice Age!

Filled with all things **ICE**, campers explore the science of the age where the world was covered by Ice! With a week full of bone chilling activities from **Ice Excavation**, **Arctic Castle Sculptures**, **Ice Fishing**, and finally **Ice Skating**! We will finish the week with a **Meltdown Splash Event** where we will a warm up and splash around with family and friends!

X-treme Destinations

Have you ever wanted to travel to the dark depths of space or the very bottom of the mysterious ocean? This two week session we have two very **X-treme Destinations** in store for your camper. Join us as we travel to above our world all the way below of world using imagination and creativity. Two sessions full of **X-treme** activities including **Dissecting a Fish**, **Watermelon carving**, **tasting Space Food**, and an **Astronaut Training Camp**!

Towards a Better “Future” World

During this two week session all the campers will work together to help make a difference in our world and preserve our future world through different projects involving endangered animals, recycling, and receiving certification through the **National Wildlife Habitat Foundation**. Towards the end of the sessions we will have created a deep connection among nature and the campers that develop awareness and respect for our world!

Race to the Future!

Join us at the finish line of our **X-Treme Summer camp**! This week, campers will participate in amazing futuristic adventures from a **Newspaper Lunar Habitat**, **Robot Construction**, and a visit to the **NC Solar House** to learn about the future of solar energy. Be prepared for just about anything as we say goodbye to our summer friends and dig up our **Time Capsule** to recall the fun and adventures of our time together.
