Outerbanks

Queen Anne's Revenge / Lookout, Kitty Hawk:

Argh Matey, dive into the Outerbanks and discover the mysteries of Blackbeard the pirate and his ship, The Queen Anne's Revenge. Then it's up, up, and away to learn about where we became first in flight and how lighthouses pave the way.

Coastal Plains & Sandhills

Hole in One / Sands of Time: A vacation destination...

come join us as we make our way through the Coastal Plains and Sandhills. We'll swing by the golf course, breeze past the beach, and explore the secret forts of this sandy area. Fore!

Northern Piedmont

Home Sweet Home / The 3 Towers: We're keeping it local and having some fun in our backyard with trips to Duke Chapel and the Durham Bulls Athletic Park. We'll show off our favorite sports teams and have our own North Carolina State Fair Day!

Southern Piedmont

Campers, Start Your Engines / Creative Juices Flowin': Put your pedal to the metal as we race down to the Wake County Speedway and get ourselves acquainted with the world of NASCAR. We'll lap around the foot of the mountains then get creative with some of North Carolina's time honored crafts.

Appalachians

Fun Rides & Waterslides / Exploring the High Grounds: Water takes center stage as we drench ourselves in games and activities that are sure to make a splash. Then we're off to scale the rock-climbing walls of North Carolina and dig up research inside the caves and caverns of the Science Museum.

Headin' Towards the Finish Line

Ready, Set, Go! Cheer along as campers participate in amazing adventures and races as we say goodbye to the lazy, hazy, crazy days of summer.

At The Clubhouse, we recognize that a child does not come to us alone, but as a member of a family. The family is our starting point for developing programs and partnerships that create a strong sense of community.

A Partnership

From casual conversations to a standing invitation for you to participate in many capacities, we encourage a collaborative relationship between our administrative staff, counselors, and you, the parent.

The Clubhouse understands the growing physical, intellectual, and social competencies of school-age children. We create a safe and loving environment where the pressures of the world are not present and children can have exciting, memorable experiences.
