I need additional days/weeks:
(Including Kindergarten
Staggered Entry Week)

Please list any friends you would like for your child to possibly be together with in a club.

(The Clubhouse will make every effort to fulfill your request with the understanding that this may not always be possible.)

DROP/ADD REQUESTS: During the summer season, to make any changes to your reservation, families must complete a Drop/Add Request Form. This form is located on our website and at the front desk. Requests for Drop/Add must be made at least two weeks in advance and may only be added or dropped by a full week of camp (no partial weeks). Drop requests are only granted when the reservation can be filled from our waitlist. *If the space cannot be filled from our waitlist, then payment remains due for the originally reserved week.* Add requests are granted on a space available basis. The Clubhouse works to fulfill all requests then notifies families of acceptance or denial by returning the bottom of the Drop/Add Request Form to the family. If you do not receive a reply from us, be sure to inquire about it with a Clubhouse administrator.

Upon receiving your registration form and payment, you will receive confirmation of the weeks you desire along with any additional paperwork needed for your child to attend camp. Please contact us with any questions.
