It's a Great, Big World Out There!

X-TREME SUMMER FUN 2013

The Clubhouse @ Bright Horizons

919-380-2003 • www.brighthorizons.com/clubhouse

Surf and Turf

Come get acquainted with creatures of the land and sea! Join us as we learn about different animal traps and play with foxtails. Get ready to dive into the ocean and explore the shallow coral reefs that some fish call home. Then, we will head to the Duke Lemur Center to see some exciting primates. We will also make delicious bear claws and create artistic fish prints.

Breaking Ground

Get down and dirty as we dig through the layers of the earth! We will observe some incredible formations as we grow our own gardens of crystal. As we delve deeper into the earth, we will create poetry with pebbles and listen to the sweet sounds of a chorus of singing glasses. Be a part of a Clubhouse tradition and leave your mark on the Spirit Rock.

X-Treme Green Oasis

Join us as we venture into all things green! Take a look at a natural blueprint to build an insect neighborhood and test out your culinary skills by making a dirt pie. Help us create The Clubhouse's very first compost pile, and get ready for our spider web challenge.

Natural Art Media

Learn to express yourself through natural crafting materials. Let nature be your muse as you experience many different types of art. We will head to a farm for a wool spinning workshop, and construct sculptures using metal and wire. See if you have what it takes to conquer the Human Knot and survive the Frozen T-shirt.

The World Around Us

Come explore many different countries from across the globe, as well as the world right here in our backyard! Get your feet ready to start the week with tinikling, a dance from the Philippines. Then we will try something hot from a Hibachi restaurant, and play one of England's most popular games: cricket. We will show some love for our local colleges and businesses by celebrating College Team Day and heading to a local market.

Planet Juice

Join us as we take a dip into the liquids of our planet! First, we will get some lava flowing with our very own volcano experiment. Get ready to sip on a surprising spinach treat, and play some beach volleyball. We will end this week with Slip and Slop, where we will get as muddy as we can before we hop onto the slip and slide.

Summer Camp

We understand that selecting a summer camp program is one of the most important decisions you will make for your school-age child. A great deal of thought and consideration goes into your decision, and we are privileged that The Clubhouse @ Bright Horizons is among your choices. At The Clubhouse, your child will be cared for by experienced and dedicated counselors in a fun, loving, and nurturing environment. We aim for each child to have an engaging, challenging, and enriching experience in our program. We look forward to partnering with your family and being the place where you find your school-age care solutions.

About Our Program

Your Partner in School-Age Care Solutions

We strive to provide you with flexible school-age solutions that demonstrate our commitment to excellence. Our full day, weekly program serves families on every type of school calendar—public or private. Any time your school-age child needs care, The Clubhouse provides a program to meet your family's needs. Open from 7:00 a.m.–6:00 p.m., we offer the following programs:

- Track Out and Summer Camp
- After-School
- School's Out Days

A Family-Oriented Program

At The Clubhouse, we recognize that a child does not come to us alone, but as a member of a family. The family is our starting point for developing programs and partnerships that create a strong sense of community.

A Partnership

From casual conversations to a standing invitation for you to participate in many capacities, we encourage a collaborative relationship between our administrative staff, counselors, and you, the parent.

The World of School Age

The Clubhouse understands the growing physical, intellectual, and social competencies of school-age children. We create a safe and loving environment where the pressures of the world are not present and children can have exciting, memorable experiences. Our state-of-the-art facility was built with school-age children in mind. Our campus provides:

- Gymnasium
- Greenhouse
- Gardens
- Small Stage Theater
- IT Cove
- The Loft
- Science Lab
- Field Trips
- Climbing & Exploration Playgrounds
- Musical Garden
- Rock Wall
- Water Playground
- Art Studio
- Game Avenue

A Premiere School-Age Program

Our low counselor-child ratios allow us to establish personal connections in a small-group atmosphere. We provide innovative, theme-based camp programs designed specifically for school-age children. Our Summer Camp calendar highlights field trips and activities for each week of camp.

We welcome and encourage your family to visit our amazing facility and experience the excitement! Please contact us for more information about how we can assist with your school-age care needs.

Also available: Year Round Early Preschool, Preschool, and Kindergarten Prep programs for children ages 2-5 years old.
