

Enrichments at 20 Pine

Dance Enrichment with Ms. Keesha: Mondays for Infants, Toddlers, Young Preschool, Preschool and Kindergarten Prep

Creative movement is the early childhood foundation of dance. Our dance program builds on a child's natural ability to move, introducing them to a variety of forms of dance, and building a lifelong love for this art.

Spanish Enrichment with Ms. Genoveva: Tuesdays for Infants, Toddlers, Young Preschool, Preschool and Kindergarten Prep

Young Children have a natural ability to learn additional languages; early exposure triggers this innate ability. Our language programs use interactive, play-based, age-appropriate activities to leverage a child's innate abilities and encourage his ability to learn.

Art Enrichment with Ms. Toni Ann: Wednesdays for Infants, Toddlers, Young Preschool, Preschool and Kindergarten Prep

Art enrichment invites children to express their creativity through open-ended projects. They learn to use art materials purposefully and experiment with visual media.

S.T.E.M. with Ms. Lael: Thursdays for Infants, Toddlers, Young Preschool, Preschool and Kindergarten Prep

S.T.E.M. integrates the areas of science, technology, engineering and mathematics. Through S.T.E.M., young children learn to think scientifically, engage in mathematical explorations and interact with 21st century technology.

Chess at 3: Thursdays for Preschool and Kindergarten Prep

Young children learn the basic foundations of chess through the power of storytelling. Lessons integrate concepts of math, literacy, the importance of sportsmanship, and physical movement!

Music Enrichment: Fridays for Infants, Toddlers, Young Preschool, Preschool and Kindergarten Prep

In the early childhood years, music promotes language development, creativity, social interactions, and a sense of confidence. Our music teacher, Miss Clerida, gives children the chance to learn rhythms, sing songs, and experiment with a variety of musical instruments.
