

Winter Wonderland Festival

WEDNESDAY, DECEMBER 16TH
3:30 – 5:30 PM

Join us as we gather to celebrate the holiday season together!

During our Festival, families will have the opportunity to:

- Participate in our Science Rocks experiments as we investigate crystallized snowflakes and learn to ice fish!
- Explore our Art Studio as we create our own snowmen and use our senses to paint scented winter scenes.
- Capture a family picture in our winter-themed photo booth.
- Enjoy face painting, light refreshments, spending time with families at the center, and more!

Bring a friend and you will both receive a free gift!
