Will Your Child Be Ready For Kindergarten?

Bright Horizons at Baldwin Park

Offers 3 High Quality Kindergarten Prep Programs

2015-16 School Year

Advanced Kindergarten Prep:

This program offers a full day experience for children. It includes all of Bright Horizons signature programs including *Handwriting without Tears*, *Everyday Math*, Science Rocks, Art Smart, Language Works, Our World, Well Aware, Movement Matters and Garden Works. It also includes the standard VPK* curriculum, which focuses on early literacy and math. Children will have enrichment opportunities in our media center; including our SMART board, gymnasium, Spanish lessons and cooking activities. This program provides children with every opportunity to be fully prepared for their kindergarten experience. Children are provided with 3 snacks per day. This program runs every day, except days when the center is closed.

Enriched Kindergarten Prep:

This program offers a 9-3 schedule where children experience the standard VPK* curriculum, which focuses on early literacy and math. Children will experience enrichment opportunities in our media center; including our SMART board, gymnasium, Spanish lessons and cooking activities. This program runs every day, except days when the center is closed.

Standard VPK* only:

This program offers a 9-12 schedule for children. The curriculum focus is on early literacy and math. This program is completely free to parents. This program runs on the Orange county public school calendar.
