

Dear Parents:

This year's X-TREME Camp Explorations program has been specifically designed for children ages 6-12 years old and is tailored to meet our young adventurous campers' needs!

Our 10 week camp program will officially begin with a host of exciting and educational activities. Your child will enjoy a summer filled with swimming, art programs, math and science integration, cooking, sports and fitness, field trips, music and in house entertainment. **All of these programs (including field trips and swim) are included in your child's weekly activity fee.**

Be sure to take a peek at the attached camp calendars to see the amazing trips and special events that we have planned.

As always, feel free to sign up for certain weeks or part-time, we are flexible with our scheduling!

Your child deserves the very best and Bright Horizons at Spotswood's camp programs are certain to excite and delight each camper!

We look forward to sharing the summer with you!
