We will be kicking summer camp off with a bang this year! The beginning of the week will be all about getting to know your fellow camper as well as your camp counselors! Wednesday we will take a trip to centennial Olympic park where we will partake in the wonderful water fountains as well as lounge in the grassy fields followed by a nice picnic under the sun. Friday we will visit Piedmont Park to enjoy another nice sunny day outside on there wonderful playground we will also have another picnic! Welcome to X-Treme Summer Camp!

Session 2—Great Big Outdoors

"What a wonderful world we live in, so why not explore it?" This week is dedicated to the X-Treme exploration of the Great Big Outdoors. During this week we will be visiting the Woodlands Garden, The Atlanta Braves Camp Day, and the Atlantic Station Park.

Session 3—Science of Gross Things

Filled with all things GROSS, campers will learn two lessons: 1) how the body works and 2) discriminate between different tasting foods. Campers will taste a variety rare foods with distinct flavors. Learning that one person's "gross" is another person's "yummy," they will be exposed to all things slimy, drippy, stinky, yummy, and not so yummy. As far as we're concerned, the grosser the better!

Fantastic Friday: Tasting Party Challenge

Session 4—X-Destinations
