

Week of the Young Child 2017

April 24th-April 28th

Celebrating our Youngest Learners

➤ Music Monday! Sing, Dance, Celebrate & Learn

- Pre School of Rock will be visiting to perform for each classroom!
- Children will also be making their own instruments as well as taking part in various teacher led movement activities.

➤ Artsy Tuesday: Think, Problem Solve, Create!

- Children will create various art projects using unconventional materials.

➤ Work Together Wednesday: Work Together, Build Together

- Children will take part in a group building activity using recycled materials.

➤ Tasty Thursday: Healthy Eating and Fitness

- Our Pediatric Dentist will be visiting to teach the children about healthy eating habits!
- Children will be exploring different projects using fruits and vegetables.

• Family Friday: Sharing Family Stories

- Families will help in creating various projects in the classrooms!
