### **Discovery Days - School's Out Holiday Program**

When school is closed, have your school age child join us for our School's Out program! We will provide activities and experiences in a relaxed environment that supports the growing developmental needs of each child. Children who are enrolled in kindergarten through age 12 are eligible to join the program. We have a School Age teacher who will be on site for this program to provide a fun and educational program for your child in a safe, clean environment. Crafts, games, sports and computers are just a few of the activities that are available.

Each Discovery Days session will have a schedule of on-site activities (including, but not limited to) arts & crafts, computer exploration, dramatic play, group discussions, and organized games.

To enroll your child you will need to turn in the following information to the center:

- ✓ Child's Information
- ✓ Authorization and Consent for Release
- ✓ Enrollment Agreement/Center Policies & Procedures
- ✓ Allergy Alert
- ✓ Daily rate is available. Parents need to set up their online payment information for tuition payments.

The Discovery Days session fees will include lunch, two snacks and enrichment activity expenses. You are always invited to join your child for lunch. We have an open door policy and you may visit at any time. The hours of the program are 7am to 6pm on the days the program is available.
