****An activity fee of \$180 per child or \$300 for multiple school-agers for the entire summer will be charged to your account on June 1st unless otherwise stated. In order for you NOT to be billed this fee, you must turn in this form saying that you are not attending the summer program in indicating your child(ren)'s last day.**

First of the Month
½ on the 1st and ½ on the 15th of the current month

****If you signed up for an automatic withdrawal, the entire month will come out on the 1st. If you are set up for it to come out the 1st and the 15th, then half will come out on the 1st and the other half will come out on the 15th.**

You will be billed for the days you signed up for. Not the days your child attends. For example: If you are signed up for 4 days and your child only attends 3 of those days you will be charged the 4 day rate.
