

# WHO YOU KNOW CAN EARN YOU TUITION CREDIT

The Bright Horizons® family  
is **growing** in Connecticut!

As we add to our talented teaching  
team, we'd love to hear from you!

Do you know someone with a passion for working with children? Would your child's gymnastics instructor, dance teacher, or camp counselor be interested in expanding their career with Bright Horizons? Refer someone you know for a teaching position today! If your referral is hired, we'll thank you with \$150 in tuition credit!\*

Consider who among your previous child care providers, friends, and family members would enjoy working at the only early education organization repeatedly named as one of FORTUNE magazine's "100 Best Companies to Work For!"

Be sure to ask your referral to say that you referred him or her! Candidates should submit their application at [www.brighthouse.com/careers](http://www.brighthouse.com/careers).

For more information, please contact:

Susanne LaBella, Recruitment Coordinator
