At CFC, our School'sOUT! Camp Explorations will provide children fun-filled weeks of exciting and educational experiences. Our energetic staff will engage our campers with games, arts & crafts, team sports, special enrichment guests and weekly field trips. We also have a weekly talent show where children come up with skits and or group cheers. They work together as a team and use their imagination to create works of art to showcase for their peers at the end of each week. Hot lunch and snacks are provided daily.

Our summer program, Camp Explorations: X-Treme Summer Fun will focus on themes that are designed around what kids are interested in:

- Fitness
- S.T.E.A.M. (Science, Technology, Engineering, Art & Math)
- Literacy

Our program provides a safe environment, experienced staff, and convenience and flexibility to meet your family's needs.

We look forward to partnering with you to challenge your child to be the best they can be. Here's to a great summer together!
