Great Barrier Reef: Join us as we dive into the marvels of the largest coral reef system in the world, The Great Barrier Reef. With over 10,000 different species of sea creatures and plant life to explore, campers are sure to come back to the Clubhouse each day excited for more!

International Space Station: Leave Earth behind and explore the wondrous technology behind the International Space Station.

Egyptian Pyramids: From mummies to hieroglyphs, the wonders of the ancient Egyptian world are sure to WOW your camper. Groups will enjoy trips to a pottery shop where children can create their own hieroglyphic-inspired pieces.

Great Wall of China: Join us as we explore the Great Wall of China. From martial arts classes to Chinese calligraphy, campers will enjoy a variety of activities and field trips.

Eiffel Tower: Are you fascinated by the City of Lights? Join us as we dive into Paris' greatest land-mark The Eiffel Tower.

Stonehenge: The Stonehenge monument in the UK has stumped scientists for centuries. Do you have what it takes to unpack the mystery?

Polar Icecaps: Need a chance to cool off this summer? Join us for a variety of cool activities. From ice skating to tasty frozen treats to snow experiments, campers will enjoy a chilling experience.

Victoria Falls: Victoria Falls may be too far to visit, but that won't stop us from visiting a real waterfall right in our own backyard.

Grand Canyon: Test your outdoorsman skills as we hike the Eno River, go tubing and try our hands at rock climbing.

Northern Lights: Aurora Borealis is one sight you won't want to miss! Join us to explore solar energy and power prisms. Then, you will be able to create your own version of the Northern Lights.

Hanging Gardens of Babylon: Get ready for a busy week! From creating your own terrace gardens to mastering the art of bonsai, there won't be much time for lounging in the garden.
