

Bright Horizons at Evanston

Meet our Center Director:

Gina Mosqueda

Hello. I am Gina Mosqueda, the new Center Director for Bright Horizons at Evanston as of September 1st, 2016. I have over twenty five years of experience in the early childcare and education field. I started my career with Bright Horizons in 1996 as a Teacher and have grown with the company occupying a variety of positions over the years; I have loved every one them! I hold a Bachelor's Degree in Early Childhood Education from Roosevelt University and have been a Director for over 5 years! I have had wonderful mentors along the way and take the care and education of young children very seriously. I believe in providing high quality education from a high quality staff which in turn leads to high quality programming. I love the saying "it takes a village to raise a child", and I am proud to be a part of your village! The highlight of my day is when children run up to me and hug me, nothing ever compares to that! I have the best job around! I reside in Algonquin with my husband Billy, our daughter Lola and our dog Coco!

If you have questions, comments or concerns about our center, please feel free to reach out to me at any time, my office is on the second floor, right by the elevator; I am always available should you have questions or just need to talk! I look forward to partnering with you and your family for your child's 1st and most important educational journey!

Sincerely,

Gina Mosqueda,
