July 2017

Session 2—Wacky Water Adventures

Adventures

Wet 'n' Wild. Water takes center stage as campers explore this key component of life through experiments, adventure and other fun and soothing ways.

Junior Sports on Thursday. Water Play Day/ FOAM PARTY on Friday!

Session 3— Junior Chef

During this camp session, campers will be able to do hands on cooking projects in a safe, developmentally appropriate way! Cooking introduces campers to math concepts such as measuring and following a step by step process. It also introduces campers to science concepts such as changes in matter by mixing ingredients or changes in the temperatures!

Trip to Uno's on Wednesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 4—Let's Pretend

This session of camp is for all who enjoy great stories and the art of storytelling. Campers will look into some of the world's most famous myths, folktales and legends. Join us as we unlock some ancient secrets and explore the work of magic. Youth Stages visits on Wednesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 5— Fun And Fitness

Ready, set, GO! Build on teamwork through games and physical events. Try new sports, master old ones, and demonstrate the payoffs of doing your best.

August 2017

Session 6—Dare to Care

The development of compassion, empathy, and social awareness is important for helping to create a better world. During the Dare to Care Adventure, campers will increase their views on diversity of people, participate in acts of kindness in their classroom and community, and promote peace within themselves and others.

Police officer visit on Tuesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 7—The Great Outdoors

It's important to help connect children with nature whenever we can, and the summer, gives, us even more time to be outdoors! There is so much to explore and learn about.

Trip to Philadelphia Zoo on Wednesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 8—Going Places

The world is a mighty big place; and we will help the campers get to know it. We will explore different cultures, discover similarities and differences, plan exciting adventures, and get to know the community right in our own backyard!

Walk to ice cream shop Wednesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 9—Ooey-Goey

Campers will learn to think outside the box and give up on the norm, as they explore the Science of Gross Things! Campers are full of great questions and are intrigued to learn about many things that provoke their senses. During this session they will get to experience things using their sensory skills, even if some seem a little bit weird, icky or gross! Remember that one person's "gross" may be another person's "yum".

Special visit on Wednesday. Junior Sports on Thursday. Water Play Day on Friday.

Session 10—Creative Expressions

The arts provide unlimited ways for children to express their individual personalities. Campers will have many opportunities for developing and showcasing their creativity. Everyone gets a chance to shine!

Trip to the Princeton Art Museum on Wednesday. Junior Sports on Thursday.
