

Bright Horizons at Atlantic Station FALL FUNDRAISER 2014!

We would like to thank you in advance for participating in this year's fall fundraiser. As you know, participation helps us to support classroom materials and supplies. Last year we were able to collect enough funds to buy our very own AED – proudly displayed in our halls. Your participation last year **MADE** that happen!

Please sell at least 1 item to do your part! This year we hope to raise \$3000 toward enhancements to the playground, media lab and art studio!

As an extra bonus, sell 3 items to be placed into Midland's Fund Raising drawing for a FREE 32GB IPOD Touch!

PARTICIPATE WITH CONFIDENCE!

BHAS keeps about **half** the purchase price of each item sold!

Support Our School by Shopping Online:

Note: Last year's delay was due to ensuring Midland Fund Raising was an approved BH vendor. They are now approved and there should be no delay regarding the delivery of items to the Center. We should have ordered items by the beginning of December with the current deadlines.
