Bright Horizons NEW Mobile Daily Experience Sheet

- **Submit Drop-off routine information from your mobile device.** Enter this information before drop-off from your home, while at the center, or right after dropping off.
- **Receive Real Time Updates Throughout the Day!** Don't wait until the end of the day to find out what happened; open the App at any time for live updates on care events, including photos and videos!
- **Get electronic Mobile Daily Experience Sheets emailed to you at the end of each day.** No more worrying if you forget to pick up or misplace the paper daily experience sheet.
- **Save your child's Memories All in One Place.** View a complete history of all daily reports, notes, photos and videos right through the app, or online! All forms and pictures will be saved online and are accessible at any time through the memories sections

To download the FREE app, search for *My Bright Day* in the Apple app store or Google Play
