

# A Suite of VPK Options ~

## Preparing your child for success in school and beyond.

At Bright Horizons at Windermere, we understand how valuable our VPK program is to you and your family, which is why we offer 3 different VPK plans to choose from. Each program provides your child with the highest quality VPK experience and is designed to meet your family's needs.

**Advanced Kindergarten Prep:** This program offers a full-day experience for children including all of the Bright Horizons' signature programs including *Handwriting Without Tears*, *Everyday Math*, *Science Rocks*, *ArtSmart*, *Language Works*, *Our World*, *Well Aware*, *Movement Matters* and *Garden Works* in addition to the standard VPK\* curriculum, which focuses on early literacy and math. The program is also enriched with S.T.E.M, physical fitness in our gymnasium, and cooking activities. Our advanced Kindergarten Prep provides children with every opportunity to be fully prepared for their kindergarten experience. This program runs every day, except days when the center is closed.

**Enriched Kindergarten Prep:** This program offers a 9am-3pm schedule where children experience the standard VPK\* curriculum, focusing on early literacy and math in addition to our S.T.E.M, physical fitness in our gymnasium, and cooking enrichment activities. This program runs every day, except days when the center is closed.

**Standard VPK\* only:** This program offers a 9am-12pm schedule for children. The curriculum focus is on early literacy and math. This program is completely free to parents. This program runs on the Orange County public school calendar.

*\*Eligible four year-olds must be 4 by September 1, 2017 and live in Florida. There is no income requirement.*
