

HEALTH & SAFETY DIRECTORS *at Bright Horizons*

At **Bright Horizons®**, it's our mission to make a difference, and we're doing everything we can to prioritize your family's health and safety. That's where our Health and Safety Directors come in. Each of our centers has a member of leadership dedicated to building partnerships with our teachers and families while making sure that we set the highest standards in all areas.

Our Health and Safety Directors are responsible for:

- ▶ Health, wellness, and safety protocols
- ▶ Health department communications
- ▶ Bottle, sleep, and crib checks
- ▶ CPR and first aid certifications
- ▶ Medication administration and allergy management
- ▶ Physical and immunization record management
- ▶ Health and safety training
- ▶ Nutrition, menus, and food ordering

Learn how we keep our families and staff safe.
