Please contact the School'sOUT! Team for details.
schoolsout@cisco.com.

At CFC, our School'sOUT! Camp Explorations will provide children fun-filled weeks of exciting and educational experiences. Our energetic staff will engage our campers with games, arts & crafts, team sports, special enrichment guests and weekly field trips. We also have a weekly talent show where children come up with skits and or group cheers. They work together as a team and use their imagination to create works of art to showcase for their peers at the end of each week. Hot lunch and snacks are provided daily. Our summer program, Camp Explorations: X-Treme Summer Fun will focus on themes that are designed around what kids are interested in:

- Fitness
- S.T.E.A.M. (Science, Technology, Engineering, Art & Math)
- Literacy

Our program provides a safe environment, experienced staff, and convenience and flexibility to meet your family's needs.

We look forward to partnering with you to challenge your child to be the best they can be. Here's to a great summer together!

For more information please call 408- 853-2196 email schoolsout@cisco.com

Ages 6 - 12 (children must complete Kindergarten prior to the start of Camp)

Camp hours: 7:00 am- 6:30 pm

Weekly Camp Descriptions:

Week 1: June 4th Culinary Arts

Sometimes it might seem intimidating to COOK with campers. Knives and ovens can seem like hazards. But at Camp Explorations, campers will be able to do hands on cooking projects in a safe, developmentally appropriate way! Cooking introduces campers to math concepts such as measuring and following a step by step process. It introduces campers to science concepts such as changes in matter by mixing ingredients or changes in the temperatures!

Activity/Field Trip Destination: CFC Cooking Classes & Kitchen Tour with Chef Ashlee

Week 2: June 11th Myth Busting

This session of camp is for all who enjoy great stories and the art of storytelling. Campers will look into some of the world's most famous myths, folktales and legends. Join us as we unlock some ancient secrets, explore the work of magic. We will explore the myths and legends of yesterday and today.

Activity/Field Trip Destination: Velocity in Motion Bowlero Bowling

Week 3: June 18th Uncharted Territories: Antarctica

With only 5% of the oceans explored, endless galaxies light years away, and extreme terrains covering our planet; humans have barely scratched the surface of our intricate world full of mysteries and uncharted territories. Join us for an exciting camp session that is full of discovering, investigation, and exploration as we dive to the depths of the ocean, soar to the darkest locations in space, and delve into most extreme lands that still remain a mystery! Join us for a truly "uncharted" adventure!

Activity/Field Trip Destination: Sharks Ice

Week 4: June 25th Environmental Explorers: Zoology

Summer is often a time when families take vacations to far off destinations. But have you taken the time to look in your own backyard? In today's world, campers have less connection to the natural environment. Let's explore together and study animals from across the globe.

Activity/Field Trip Destination: San Francisco Zoo

Week 5: July 2nd Game On

During this camp session, we will explore games that are played as professional sports, games of the mind and strategy, and active games!

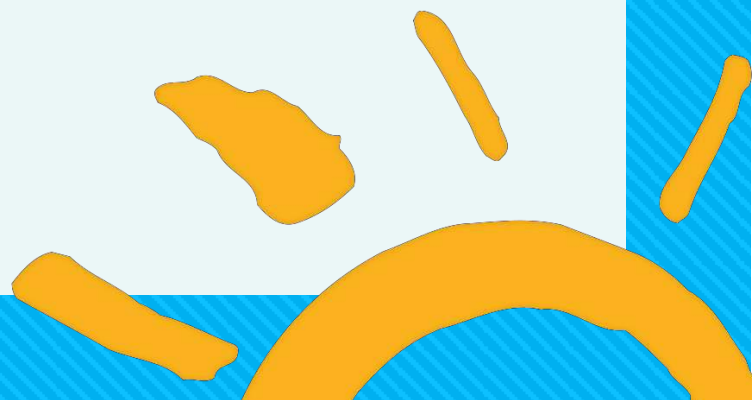

The skills and experiences like learning to cooperate, work as a team, challenge yourself, face defeat, and try your hardest apply to both campers and adults and will help shape the campers for the rest of their lives.

Activity/Field Trip Destination: Aqua Adventures

Week 6: July 9th Cinematography: Where it All began

See the world from the point of view of your camper as we put various cameras at their fingertips allowing their creativity to run wild! From an up close perspective of wild animals in their habitats to underwater exploration this week is guaranteed to be full of extreme action!

Activity/Field Trip Destination: CMT: The Wiz

Weekly Camp Descriptions cont.:

Week 7: July 16th Creative Design: The Arts

Imagination and inspiration will shine during this week of art and design. Join us as we explore what makes an artist an artist? Campers should prepare to get messy as they will explore all different types of art mediums and techniques including fine arts, drama, dance and construction.

Activity/Field Trip Destination: Mocha Museum of Children's Arts

Week 8: July 23rd Global Explorers: Egypt

Has your child ever wanted to travel to the tropical rainforest or the majestic lands of Alaska? This summer your camper can join us as we travel the world using imagination and creativity. Campers will virtually experience extreme places, extreme temperatures and extreme cultures and discover all that our world has to offer as they join us on this journey.

Activity/Field Trip Destination: Rosicrucian Egyptian Museum

Week 9: July 30th The Science of Gross Things: our Bodies

Campers will learn to think outside the box and give up on the norm, as they explore the Science of Gross Things! Campers are full of great questions and are intrigued to learn about many things that provoke their senses. During this session they will get to experience things using their sensory skills, even if some seem a little bit weird, icky or gross! Remember that one person's "gross" may be another person's "yum". Avoid referring to food from different cultures as gross.

Activity/Field trip Destination: Mad Science Institute

Week 10: August 6th STEAM HAPPENS

The exciting world of STEAM is happening all around us! During our STEAM summer program, campers will participate in various challenges that will require them to research, design, build, create, test, and develop innovative solutions for real world experiences. Using 21st century skills, they can build "out of this world" structures, make robots and even create flying objects. Our STEAM session will engage their minds and allow them to see just how creative they can get when STEAM happens!

Activity/ Field Trip: The Exploratorium

Week 11: August 13th Local Pride: Race Around Your State

Race around your state is all about California. Campers will work together to do research on our lovely state. They will learn about local ecology, local sports teams, small business, famous people from the state and local monuments.

Activity/Field Trip Destination: End of the Summer Picnic at Vasona Park
