

# Online Payment Options Available

Pay exclusively through the Online Payment Solution with an Automated Recurring Payment Or Payer-Initiated Payment\*

*Sign up via the Family Information Center*

## Payment Options:

- Recurring Payments: payments will be deducted automatically; no need to remember when tuition is due
- Payer-Initiated Payments\*: payer-initiated online payment; set up your access in advance for secure tuition payments

*\*Please Note: Payer-initiated payments must be received by Bright Horizons on the due date. Late fees will be stringently assessed.*

## Why Online Payments Are Better than Checks:

- Electronic payments are more secure than check payments
- Email updates keep you informed of the payment status
- Center staff can focus more on your child's program and less on manual finance process
