

Discover the Joys of Learning at Alexian Brothers Child Care Center

At **Bright Horizons®**, we understand that your child's education and care is a priority and that choosing the right program is a big decision. Our carefully crafted programs are age appropriate, all with the goal of encouraging curious, happy, and confident children.

A Bright Horizons Early Education and Preschool Experience Includes:

- Curriculum that engages children in active learning that prepares them for success in school and life
- Health, safety, and security policies that meet or exceed state and local standards as well as those created by the National Association for the Education of Young Children
- Experienced child development professionals with the training to guide and nurture each child
- Strong parent/teacher communication and partnerships

We look forward to sharing this experience with your family and partnering with you on your child's educational journey.
