

Back-Up Child Care in Cornell Child Care Center

Cornell University partners with **Bright Horizons®** to offer the highest-quality back-up care when your regular child care arrangement is unavailable.

Cornell Child Care Center offers quality care and curriculum, experienced teachers and center staff, and low ratios in a safe, welcoming, and exciting environment. Serving ages 6 weeks through 5 years, our centers are designed to ensure your child has an age-appropriate enriching experience.

As an employee of **Cornell University** you:

- Are eligible for 10 utilizations of back-up child care per child per calendar year. Whether a child comes to us for a half day or full day it will count as 1 utilization.
- Pay a co-pay of \$40 per child per full day visit
- Pay a co-pay of \$25 per child per half day visit (7-12 am or 1-6 pm)
- Are required to make payment via credit card or checking account online when creating the reservation.

You can use the Back-Up Child Care Program when your regular child care arrangement is unavailable. For example, you can use back-up care during:

- Before or after summer camps
- Center/school closings, breaks, and other schedule changes
- Center/school closings due to inclement weather (call ahead to confirm availability)
- Regular caregivers' sick days or vacations
- When you are in between child care arrangements
