

All Bright Horizons Locations are “Nut Safe”

All products (including foods, lotions and ointments) containing nuts are prohibited from the entire center/school, including the staff lounge and other common areas. Almond products, such as milks and butters, containing nuts and are prohibited. Coconut products and products containing coconut are allowed, including coconut milk.

All ingredients should be checked to screen-out products that contain nuts or are prepared in a factory where nuts are present.

Special Events

Food with nuts may not be brought into the center/school for any special events. All food for special events, excluding pot luck events, should be store-bought and have all ingredients listed. For pot luck events, families should provide a list of ingredients with the item
