Did you know…

Young Explorers at United Therapeutics provides:

EMERGENCY BACK-UP CHILD CARE?

United Therapeutics employees can take advantage of emergency back-up child care when:

- their regular caregiver is ill or unavailable
- a stay-at-home spouse has a medical appointment or jury duty
- the family is between child care arrangements
- their regular child care center or school program is closed**
- a parent/guardian is on business travel
- returning from an approved medical leave of absence

****School age back-up care only available for inclement weather closings, not scheduled school closing dates.**

The Emergency Back-up Child Care program* costs ONLY $15 per day, and is available on a first-come, first-serve basis.

Call Young Explorers today to register!

(hourly rates may also available, please call for details)

Children must be registered with enrollment paperwork on file before reservations can be confirmed.
